

Racing Toward Armageddon

In *Racing Toward Armageddon*, Michael Baigent, the New York Times bestselling author of *The Jesus Papers* and *Holy Blood, Holy Grail*, exposes the conspiracy of religious extremists in the Holy Land and their efforts to bring about the end of the world in our lifetime. Baigent exposes the many diverse, public, and clandestine figures who are driving this perilous messianic message forward, and poses a pressing question: can we really afford to remain oblivious much longer?
