

Raffaele: Taming His Tempestuous Virgin (Mills & Boon Modern) (The Orsini Brothers, Book 1)

Raffaele Orsini doesn't want a wife. But when he meets his arranged bride, Raffaele feels honour-bound to marry her. Though she's not quite what he was expecting—her plain, dowdy clothes can't hide her lusciously feminine figure, nor her wildcat temperament! Chiara Cordiano will not love her husband! She tries everything to avoid her fate, but in the blink of an eye, Chiara is swept away from her quaint Sicilian town to New York! She wants to hate Rafe, but seduction is in his blood. With his dark, brooding looks and tempting masculinity, she'll be purring like a kitten! The Orsini Brothers: Darkly handsome, proud, and arrogant. The perfect Sicilian husbands!
