

Rainbirds Revenge (A House for the Season)

Love comes home to A House for the Season! When the Duke of Pelham returns to his town house at 67 Clarges Street he is grimly determined to find himself a suitable wife, and love will have nothing to do with his selection. The duke's search is soon disrupted by the arrival in town of Miss Jenny Sutherland - a beautiful but hugely spoilt country girl whose vanity is overwhelming. In fact it was her guardian who brought her to London in the hope her ward will get the put-down she so sorely deserves. But no one had counted on the intervention of Rainbird, the duke's shrewd and resourceful butler. Befriending Jenny, they devise a mischievous scheme that will ensure Jenny's social success - and secure, once and for all, the fate of the close-knit family of servants at No.67 Clarges Street!
