

Random Acts of Hope (Random series #4) (Volume 4)

Random Acts of Hope is the fourth book in the romantic comedy Random series, and features guitar player Liam McCarthy from the band, Random Acts of Crazy. Five years ago, Liam and his girlfriend, Charlotte Greyson, were deeply in love. When a betrayal eviscerates them both, each clings to their separate truths as an anchor to navigate the perfect storm. But when the biggest ego in the band reconnects with the only woman who stole his heart, sparks fly in this sequel that asks whether you can believe in the impossible without sacrificing every ideal you hold - in order to find a love bigger than you ever imagined.
