

Rauls Revenge (Mills & Boon Vintage 90s Modern)

Rauls reason for revenge Penny seized her opportunity to save the love she and Raul shared and proposed marriage - but he turned her down flat! The misunderstandings of the past few weeks had left their mark and now Raul had got his revenge; he seemed to think Penny was nothing but a gold-digging tramp. But of all the gifts Raul had given Penny, none could match the one she took with her when she walked away from their relationship. Unbeknownst to Raul, she was carrying his child!
