

## A History of Zhang Zhung and Tibet, Volume One: The Early Period

A History of Zhang Zhung and Tibet, Volume One explores ancient Tibet's Zhang Zhung kingdom and Bon religion that preceded the advent of Buddhism in the seventh century. Countering the long-held idea that Tibet's pre-Buddhist indigenous culture was primitive and undeveloped, this book shares the rich cultural origins of the kingdom of Zhang Zhung--the cradle of Tibetan culture, which encompassed a vast area of Western and Northern Tibet in an area that includes sacred Mount Kailash. Presenting the meticulous research of internationally known Dzogchen Buddhist teacher and scholar Chogyal Namkhai Norbu, the book investigates the mysteries of Zhang Zhung's Bon religion, a set of shamanistic and animistic beliefs and practices only recently studied by a handful of academic scholars. Offering a critical analysis of a vast array of literary and primary sources, Norbu discusses the role of the Bon traditions within Zhang Zhung's lineages, dynasties, and culture. Examining Zhang Zhung's written language, sacred ornaments, rock carvings, healing practices, music, and magical divination techniques, Norbu contributes to an understanding of the roots of Tibetan Buddhist culture and modern-day Bon religion--a practice followed by an estimated ten percent of Tibetans.

Table of Contents: Translators Foreword; A Technical Note about the Translation; I. The Human Generations of Ancient Zhang Zhung; II. The Bon Lineages of Ancient Zhang Zhung; III. The Royal Lineages of Ancient Zhang Zhung; IV. The Written Language of Ancient Zhang Zhung; V.
