

## MAIL ORDER BRIDE: A Widows Heart

Carolina Hendricks thought she had her life figured out... Boy was she ever wrong. She is hanging on by a thread in the ride of her life. Three months ago, she was happily married to her first love and best friend, now she is a widow in Boston with a baby on the way. The life that she had envisioned for herself is filled with nothing more than broken pieces. To top it all off, the man she loathes is determined to marry her and will not take no for an answer he will stop at nothing to get her, even if he has to destroy her first. Will she take a leap of faith into the unknown and trust God to keep her standing? Will a handsome stranger and his daughter be her salvation? She just met Matthew Jones; does she dare trust him? Can she afford not to? Will love be in store for both of them? \*This is a short story and includes the complete collection of Clean, Western, Historical, Christian, Mail Order Bride short stories by Christian Michael (45 in total!)\*.
