

The Works of Thomas Jefferson, Vol. I (in 12 Volumes): Autobiography, Anas, Writings 1760-1770 (Cosimo Classics)

Few men stand with as towering a stature in the annals of American legend as THOMAS JEFFERSON (1743-1826). Author of the Declaration of Independence and third president of the United States, he ranks as one of the most significant of the United States Founding Fathers, his political philosophies continuing to impact the nation to this day. In the late 19th century American biographer PAUL LEICESTER FORD (1865-1902) assembled this collection of Jeffersons most important, most influential, and most revealing writings. This replica of the 12-volume Federal Edition of 1904 is considered a masterpiece of historical scholarship, praised for its attention to detail as well as its objective dispassion toward its subject. Here, in Volume I, discover: Jeffersons itinerary and chronology, 1743-1770 his autobiography of 1743-1790 The Anas, notes and memoranda, 1791-1806 correspondence and miscellaneous writings, 1760-1770 and much more.
