

Dream Castle

Her dark past could become her future, and only one man can save her. The dream is always the same. The terrifying stalker. The gaping abyss. She can see herself running, desperate to escape the huge black beast waiting to devour her. For Cassandra Grey, there is only one refuge from her nightmare?and a horrifying secret hidden in the swirling mists. Braden Sheffield first spies her on a deserted beach?a lone figure who emerges from the fog like a stunning apparition. Betrayed by the woman who was to be his bride, the world-weary duke of Sherburgh is captivated by Kassie's youth and beauty, by her candor and the tinkling music of her voice. But Kassie's life is in grave danger. As passion ignites between them, Braden vows to protect Kassie no matter the cost?and to preserve a love that could be the fulfillment of their happiest dreams.
