

Hearts Desire : A Collection of Their Most Touching Love Stories

Indulge your HEARTS DESIRE with your most beloved authors in this very special collection. Selected from the heartwarming anthology Everlasting Love, these remarkable tales are treasures to cherish -- and reminders that love is always just a heartbeat away.... Jayne Ann Krentz One of the hottest writers in romance today (USA Today) continually lends her master touch to tales of grand passion laced with intrigue. Here she again delights readers with her tremendous talent (Detroit Free Press), as in modern-day Washington, treachery ignites an unlikely affair of the heart in Connecting Rooms.... Linda Howard The celebrated author who knows what romance readers want (Affaire de Coeur) and whose unforgettable novels [are] richly flavored with scintillating sensuality and high-voltage suspense (Romantic Times), now whisks you to a bewitching country Lake of Dreams, where a woman is lured into a dangerous embrace.... Linda Lael Miller In Resurrection, the writer whose talent knows no bounds (Rendezvous), travels back to 1880s Montana, where an abandoned bride searches for a love she thought forever lost in a story that makes it easy to see that the sweetest kind of magic comes from the pen of Linda Lael Miller! (The Literary Times).
