

The Billionaires Courageous Lover (Bold, Alaskan Men Book 3)

The adorable, sexy teacher came into town and blew Knox away! She was so completely wrong for him but she couldn't stay away. Knox knew she was good for the town, great for the kids she taught. And he more than happy to guide her on how to live in Alaska with the snow, the lack of daylight, all the animals and Who was he kidding? Andie was perfect. Just not for him. Andie had fallen hard for the rough looking lumberjack/bartender. He was kind and generous, protective and so hot he made her knees wobble just looking at him. But he didn't trust her. He'd been hurt in the past and was sure that she would get tired of life in the harsh Alaskan town. Fortunately, Andie was made of sterner stuff. She'd grown up in Boston. Therefore, nothing could terrify her! She was here to stay. She just needed to convince Knox of that fact.
