

# Till Death Us Do Part (Mills & Boon Vintage Intrigue)

Undercover Fiance Marissa Devereaux discovered that paradise wasn't all it was cracked up to be when she was abducted by extremists on the Caribbean island of Costa Verde. But things only got worse when Jed Prentiss showed up, claiming to be fiance. A Wedding Ruse? While Marissa was glad that her new friends at 43 Light Street had teamed up to come to her rescue, she wondered if marriage to the gruff, abrasive Jed was her only salvation. After all, how could she trust this man with her life, if she couldn't trust him with her heart?
