

Rebellious Desire

Before there was Downton Abbey, there was *Rebellious Desire*...in this classic Regency romance from bestselling author Julie Garwood, an American heiress must land a titled lord. Of all the dukes in England, Jered Marcus Benton, the Duke of Bradford, was the wealthiest, most handsome and most arrogant. And of all London's ladies, he wanted the tender obedience of only one Caroline Richmond. She was a ravishing beauty from Boston, with a mysterious past and a fiery spirit. Drawn to the powerful duke, undeterred by his presumptuous airs, Caroline was determined to win his lasting love. But Bradford would bend to no woman until a deadly intrigue drew them enticingly close. Now, united against a common enemy, they would discover the power of the magnificent attraction that brought them together...a desire born in danger, but destined to flame into love!
