

Taming the Texas Rancher (Love Inspired Historical)

Race to the Altar Though he'd never planned to wed, Daniel Westland must marry and produce a grandchild before his brother does in order to inherit the family ranch. Leave it to him to pick a mail-order bride who insists on being courted! Yet every time Daniel wonders if Hannah Young is even suited to rugged living, the petite schoolteacher shows her gumption. What man sends away for a bride but doesn't really want to get married? Hannah came to Granite, Texas, hoping to find love and security, and she can't settle for less than a true partnership. If the brooding, handsome rancher can just learn to trust in Hannah, their future could be as filled with promise as this bountiful land..
