

Jimmy: Red, Hot, & Blue

Social butterfly. A Black Ops soldier. A match made in bed...Special Operations gave Jimmy Gordon the undercover skills of a chameleon, but nothing prepared him for Amelia Monroe-Carrington, the governors hot, redheaded daughter. She thought she was seducing a banquet waiter, and he let her. His next assignment pulled him from her bed and into the worst six months of his life. Images of Lia were what kept him alive imprisoned in Kosovo, and even now hes home and recovered, shes still in his head. For her fathers political career, Lia has always done the appropriate thing, right down to dating a senators son. Her one rebellious act, an incredible night with a totally inappropriate man, ended when he disappeared. And then never called. When they unexpectedly meet again, the pull between them is stronger than ever, tempting Lia to stop sacrificing her own happiness for the family dynasty. Warning: Contains incredible one-night-stand sex hot enough to withstand time, distance, and some really nasty terrorist torture.
