

The Doctors Patience [Lovers of Alpha Squad 2] (Siren Publishing Classic Manlove)

Sam is a special ops soldier. He knows how to handle a gun, fight his way out of almost any situation, and is usually prepared for anything except the feelings he is quickly developing for Dr. Daniel Evans, the squadron doctor. Doc, however, has had feelings for Sam for quite sometime, but he has no idea what to do about them. For as long as he has known him, Sam has always been straight. When a chance encounter with Sam leads him to believe that Sam might be interested in more than a doctor patient relationship, Doc decided to pursue Sam, only to learn that Sam is married to a woman! Heartbroken, Doc ignores Sam's pleas for help when his wife is attacked. But when Sam brings his pregnant bride home and Doc learns that Sam still has feelings for him and it's a marriage of convenience, will Doc forgive Sam? As they try to explore their new relationship, the danger that brought Sam home in the first place threatens to separate them permanently. With the help of their friends, Sam and Doc try to protect Sam's wife and themselves, hoping for a life together. Siren Erotic Romance
