

## Rendezvous with Revenge

Hed planned his revenge Ethan Grant seemed to have no place in his life for women, except as expensive playthings. So Abby shouldnt have been surprised when Ethan, her boss, offered to pay her to attend a conference with him and demanded that she pretend to be his lover! There were plenty of shocks in store during that weekend. Suddenly, Ethan wanted Abby in his bed for real. But it also became clear that he had another date on his mind, too with an old flame. Was Abby just a pawn in his game of vengeance?
