

Reject Me: Kin Series Book 5

This series is meant to be read in order. Repair Me Replace Me Restore Me Remember Me Reject Me Contains some adult content 18+ Peyton Hutchinson and Jamey Billings were an unlikely couple from the start. Theyd been together for a while, half of it in secret, but shes ready to get serious and take things to the next level. She moves in with Jamey, forcing him to label what they are to each other, and hes not pleased about it. During all of the drama Peyton realizes that Jamey thinks clearing his head with other women is just the thing he needs. While shes been at home waiting for him, he was out in the same parking lot he took her to, cheating. She turns to her brother, the known ex-cheater, for advice and does as he suggests. She rejects Jamey, ending the relationship and making it clear that she never wants to see him again. A broken hearted Jamey finally realizes what hes lost and decides that he wont give up until he gets Peyton back. Will she forgive him or find someone else that will appreciate her?
