Reunited Reading a Judith Arnold book is like eating chocolate I can never get enough. RomEx Reviews WHAT IF YOU THOUGHT YOU WERE DIVORCED AND FOUND OUT YOU WERE STILL MARRIED TO THE MAN?

If you're Jane Thayer, successful Boston lawyer and highly organized person, you hightail it to New Orleans, where your ex-husband lives. Well, he's not really ex, but that's what you're going to fix. Especially since you're engaged to Mark Dennison, a much more suitable man. But Cody Sinclair, the love match and mismatch of your younger days, isn't so sure he wants that divorce. Now what? His bad-boy ways used to thrill you maybe they still do. Oh, oh. You and he make a deal: you get your divorce in exchange for helping him fight a sleazy lawsuit. Cody drags you through the steamy streets of New Orleans not what you're used to. But the experience is instructive nonetheless. Because you find out that first love isn't all its cracked up to be. It's more! First Love Last Love
