

On Meditating on the Future Life: In Updated English with an Introduction to the Life and Ministry of John Calvin by Matthew Everhard

This very short e-book (6,000 words) contains the text of John Calvin's poignant chapter from *The Institutes of the Christian Religion*, *On Meditating on the Future Life*. In this very devotional passage, Calvin urges all Christians to look up from their current trials and be encouraged by the future grace of glory. The classic translation of Calvin has here been updated by Matthew Everhard, and an introduction to Calvin's life and ministry has been prefixed to this work.
