

## To Cross the Bridge of Beech (Crossing The Mystical Bridges Book 2)

This is the second book in a five series set that is designed to cover a yearlong course in mystical concepts. This yearlong course is broken into five sections or bridges. Across each bridge hang the lanterns of mystical knowledge and mystical concepts. To journey by the light of the lanterns and to cross the five bridges is to gain a higher sense of the Mystical and a higher sense of yourself. ~ Day 139 Journey Under Two Moons During the fourth moon you learned about letting things go, totems and guides, place frequencies, holism and dualism, the inter-relationship of electricity, magnetism, and the Source Field, and how everything is made of energy. During the fifth moon you learned about the mystical laws of attraction, sacred seasons, spirit guides, circles and spirals, sacred geometry in the landscape, and earth energy. ~ Journey of the Five Bridges Oak for the Foundation Beech for the Knowledge Willow for the Mystery Cedar for the Sacred Yew for the Connection
