

Rider on Fire and When You Call My Name (Harlequin Bestseller)

RIDER ON FIRE Like a bat out of hell, undercover DEA agent Sonora Jordan jumps on her motorcycle and takes off to parts unknown, escaping the deadly drug dealers who had put a price on her head. All the while, she is haunted by dreams of a man whose place in her life she has yet to discover. When she literally comes face-to-face with the man of her dreams, it's as if time stands still. Her long-dormant heart is finally awakened. But will she ever be truly free from the dangerous life she left behind? WHEN YOU CALL MY NAME She gave him the most precious gift of all--the gift of life. But something more than a blood transfusion links Wyatt Hatfield to the stranger who saved him. Something that allows her to call out to him for help in the middle of the night without ever speaking a word. Now it's his turn to give. For the connection that links Wyatt to Glory Dixon is the only hope he has of saving her from danger.
