

Right as Rain [Hidden Lake 2] (Siren Publishing Classic ManLove)

[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, werewolves, HEA] For Langley Day, mating the alpha Aiden Macmillan is just the tip of the iceberg: there are more forces at play than meets the eye. At first, there's Aiden's reluctance into the mating, but there are also problems from the past as well as the future that they both have to meet head on. Aiden's past is filled with secrets that could shatter Hidden Lake pack itself, not to mention his concern for werewolf lore, where mates of an Alpha turn into an Omega. Aiden doesn't want anything to happen to Langley, let alone something that could endanger his life, especially because of Langley's youth and inexperience. Upbeat, effervescent Langley, however, couldn't care less. From psychotic people who think they have a say in Aiden and Langley's life to a war right on the streets of Hidden Lake itself, Aiden and Langley will have to trust each other and fight for the day their lives finally become Right as Rain. ** A Siren Erotic Romance
