

## The Texans Happily-Ever-After (Mills & Boon Vintage Cherish)

The towns abuzz about an unlikely new couple: everyone's favorite pediatrician, Dr. Raina Gibson, and mysterious rancher Shep McGraw. Anyone with eyes can see that they're mad about one another and Raina's crazy about the three children Shep raises as a foster dad. But no one expected wedding bells to peal until Raina discovered she was pregnant! A marriage of convenience? Maybe at first. But my spies tell me that their shared passion is enough to set a hundred Texan ranches ablaze. It's just up to Raina and Shep to open their hearts once and for all to an unexpected love.
