

## Risky Business (The Ludzecky Sisters Book 3)

Welcome to The Ludzecky Sisters, a contemporary romance series from NEW YORK TIMES bestselling author Kathryn Shay. Follow these six beautiful blond sisters as they try to make their way in the world after a tragedy strikes the family. Each book has a cameo appearance by one of the sexy heroes from Shays beloved ONEIL series. Magdalena Ludzecky is a career woman extraordinaire. A child prodigy, shes worked her way into a successful private equity firm by the time she was twenty-four. Seven years later, shes still the gentle, good-hearted sister who hasnt forgotten her roots, but in business shes a force to be reckoned with. Shes a woman who has everything, including Logan Price, her coworker and her best friend outside of the family. They support each other through tragedy and loss, vacation together and make million dollar deals together. But suddenly, they find attraction growing between them. And no, they both think, this cant happen! They like the status quo. An office romance is unthinkable. It doesnt seem to be up to them, though, as fate intervenes and brings them together as lovers. Yet fate can be cruel, too, and pulls them apart when Logans circumstances change dramatically. Does this friends to lovers romance have a chance or are Logan and Magdalena going to lose each other forever? If you like sisters in love stories, New York City romances and family saga romances, try the rest of the books in The Ludzecky Sisters: BEGIN AGAIN, PRIMARY COLORS, THE WAY WE WERE, HANDLE WITH CARE and LOVE STORY.
