

The Road to Carmel

With a foreword by David Wilkerson, The Road to Carmel is a must own book. It is the story of the Holy Spirits move in the lives of David and Karen Davis, From Broadway to Mount Carmel. Readers will not be able to put the book down! It is recent, yet nostalgic of the Jesus Movement which was a time when books were devoured and preferred to a meal. Through their story, it is apparent that God still lives and is working miraculously today.
