

The Rich Mans Mistress (Mills & Boon Modern)

She'd been his mistress now he was her boss! Two days of glorious, unexpected passion with gorgeous Luke Decroix and Miranda was already naming their babies! But for him it was only a brief affair, so Miranda returned home alone. Then Luke offered her a dream job designing his house. But how could she work so closely with the millionaire after their liaison in France? She agreed on one condition: that their relationship would be strictly business!
