

Fair Valley Refuge (The Shepherds Heart) (Volume 3)

Shes loved him for as long as she can remember. But can she trust her heart to a man haunted by constant danger? Shiloh, Oregon, April 1887 Victoria Snyder, adopted when she was only days old, pastes on a smile for her mamas wedding day, but inside shes all atremble. Lawman Rocky Jordan is back home. And this time hes got a bullet hole in his shoulder and enough audacity to come calling. Since tragedy seems to strike those she cares for with uncanny frequency, she wants nothing to do with a man who could be killed in the line of duty like her father. But when an orphan-train arrives at the Salem depot, Victoria is irresistibly drawn toward the three remaining unlovable children and stunned by a proposal that will change all of their lives forever. Can she risk her heart, and her future happiness, on someone she might lose at a moments notice? Two stubborn hearts. A most unusual proposal. Persevering love. Step into a day when outlaws ran free, the land was wild, and guns blazed at the drop of a hat.
