

The Outlaw (Rogues)

ROGUESHALF-BREEDWolfe

Longwalker: Proud of his heritage, he used words as a writer to battle the white man. His enemies used a more basic method: they were about to hang Wolfe for a crime he didn't commit. So when Noel Giraudeau, a modern-day princess, found herself in 1896 Arizona, what else could she do except rescue Wolfe? But he was a man who didn't trust anyone, least of all a woman. On the run from the law, their passionate adventure quickly turned into something much more real but Noel's destiny was back in her own time and Wolfe was in his. ROGUES Dangerous to love, impossible to resist!
