

His Tempest (Kimani Romance)

How far would she go? She would never know her real dad. And that fact made Noelle Greenwood desperate to connect with his family, even if it meant assuming a false identity to gain their trust. And if she had to hook up with sexy playboy Colin Mayes in a risky game of seduction to claim her birthright -- a share of River Oaks, the legendary stud farm Colin co-owned with her grandfather -- she would do it. But when Colin sparked real passion in her, Noelle's pretend affair spiraled out of control. Noelle had turned Colin's world upside down. Then he discovered her true identity. She used him to get River Oaks. Furious, Colin vowed to end their relationship. But as hard as he tried, he couldn't seem to get the nights they'd shared out of his system or Noelle out of his heart!
