

Romance: The Thief And The Billionaire (Book Two)

From Amazon Bestselling Author, Lexi Duval, comes a delicious new billionaire erotic romance series, The Thief And The Billionaire! Biancas meeting with the criminal billionaire known as The Jackal doesnt go quite as shed have expected, and when shes dismissed from his eerie, underground chamber, shes almost got more questions than answers. Mr Link, however, is there to guide her, and soon shes being given her instructions for the test that will determine whether she joins The Syndicate or not. This test initially appears like more than she can handle alone, but as the days go by, she realizes that it might just be within her grasp. Soon, the day comes for her to put her plan into action, and everything seems to go extremely well. At least at first... Because there are still a few more surprises in store, and soon Bianca feels like she might just be in mortal peril. And right now, not even the criminal billionaire can do anything to help her. Or can he... PART TWO of THREE. Readers should be 18+ for sex scenes and swearing.
