

Heart of Stone: New Hampshire (The Americana Series)

Every novel in this collection is your passport to a romantic tour of the United States through time-honored favorites by Americas First Lady of romance fiction. Each of the fifty novels is set in a different state, researched by Janet and her husband, Bill. For the Daileys it was an odyssey of discovery. For you, its the journey of a lifetime. Your tour of desire begins with this story set in New Hampshire. We dont mix- were like oil and water. Brock was adamant that his life-style and Stephanies would never allow a relationship to grow. He was constantly traveling and led a sophisticated, jet-set existence. Stephanie was happy in her work at the quiet New Hampshire inn. Stephanie had heard about Brock Canfield long before she met him. Her brother had warned her that Brock would break her heart. But in spite of Brocks stand and the fact that her brothers warning seemed to be coming true, Stephanie loved Brock. And she knew she was powerless to change that.
