

## Room at the Inn (Silhouette Intimate Moments, No 268)

HOME FOR CHRISTMAS Those words had never meant as much to Bryce as they did now. For the first time in years he was back in tiny Angels Peak, living once again in his childhood home. But there were problems, too. For one thing, the rambling old house was now an inn. For another, the family feud that had led to his departure was still very much in evidence. But then there was Leah, with her beguiling ways and four wonderful children. She had become a part of the family in his absence, and he planned for her to stay that way. Instant fatherhood was an appealing prospect, and marriage to Leah ... That would be the best Christmas present of all!
