

## Saddled

Slippery when naked When Bobby Blackhawk and Cale Yancey see a car slide off the highway and into an icy creek, they've got only minutes to get the beautiful driver out alive. And only one way to save her from hypothermia: take her to their isolated cabin, get naked and hope like hell that when she wakes up, she doesn't scream the place down. Katherine Duvall opens her eyes in a strange bed, and the tingles flooding her body aren't entirely due to restored circulation. She's snuggled between two handsome men, one a gruff, gentle giant, the other a sexy, playful Native American. Having just left her fiancé romping with another woman, she's not quite as shocked as she might have been. In fact, these two lonesome cowboys could be the perfect bookends to satisfy her hunger for revenge and bolster her dented self-esteem. It's not long before their raging hormones are melting the snow on the cabin roof. To their surprise, they find something else is melting, too. Their hearts
