

Afternoon Rhapsody (Bandicoot Cove Book 1)

A second chance at love is worth fighting for. Bandicoot Cove: The Wedding, Book 1 Bianca Rogers is one signature away from finalizing her divorce. And she will finalize it just as soon as she gets home. But for this weekend, she's putting her troubles aside and enjoying the gorgeous, sunlit luxury of Bandicoot Cove, the resort where her brother is getting married. The last thing she expects is to be knocked off her feet literally by gorgeous Brody Evans. The fireworks are instantaneous. Brody is just her type: sexy, warm, friendly, and in the same boat as her: in the process of getting a divorce. Spending time together is a mutual no-brainer. Attraction quickly grows to full-blown lust. But flying sparks come with increasingly personal conversations, and soon neither of them can ignore their past mistakes or the circumstances that have led them to the island. Now it's time to determine whether old hurts and sudden doubts will prevent love from leading them to a whole new happily ever after. Warning: If you don't believe in second chances, never thought it was possible to fall in love again and aren't interested in scrumptious, hot love scenes, then this story probably isn't for you. You'd be missing out big time but yeah...it's probably not for you.
