

Lord Orpingtons Wager

Lord Orpingtons Wager (A Reluctant Bride Linford Romance 2009) A sweet Regency romance. Persuaded by her mother to act as chaperone to her godmothers daughter, young widow Patience Sinclair doesnt realise quite what is involved. Lady Orpington is perfectly capable of arranging her daughters come out, so why is Patience needed? When she meets Lord Simon Orpington it all becomes perfectly clear. Their respective mothers intend them to make a match of it. And while Patience has no intention of marrying again, it seems that Simon has other ideas.
