

Santa in a Stetson (Lost & Found)

Colton Brenner is perfectly content being a single dad to his teenage twins. And even if the Montana rancher were looking for that special someone, it wouldn't be Kathryn McFarland. The fiercely devoted advocate is so busy fixing everyone else's life, she can't settle down. Reuniting families is what Kathryn does. The poster child for missing children was once lost herself until she found her loved ones. But Colt and his son and daughter are a family she doesn't ever want to leave. Even when she finds out the terrible secret that prevents Colt from marrying. Maybe it's the way the sexy cowboy wears that Stetson. Or how incredible he is with his kids. All Kathryn knows is she's ready to be Colt's woman if he's ready to let go of the past and be her man.
