

Soul Saving Stories

Now the extraordinary soliloquies of the book *Soul Saving Stories* can be heard the way they were meant to be heard -- voiced by author John Powers, with all the drama and power that only this well-known storyteller could bring to the work. Included are the same thirteen fictional characters of his book. Based on the New Testament, each character struggles with hard-hitting issues we face today -- loss, greed, forgiveness, anger, secrets, guilt, and more -- and deals with these issues surprisingly contemporary ways.
