

Saved

Here is the first book of the Saved Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion and emotion. Kelly Day leads a life of boring routine. So when she notices an advertisement for a local community theater production, something deep within her stirs and she finds herself filled with a spontaneous new impulse to audition for the play. But first she needs someone to help her find some much needed courage in herself. Dominic Blunt is a gorgeous young actor and owner of the theatre company. With a piercing gaze and a body to die for, he might prove to be just the forceful guiding hand she needs in more ways than one. Determined to break through Kelly's inner walls, he attempts to help Kelly find her courage by exploring her talents, her potential and her sensuality. But will Dominic push Kelly's boundaries, in more ways than one? Only mature readers should download this book.
