

Saviors 101: the first book of the Reluctant Messiah (Deities Anonymous 2)

The Gods sent Dana Murphy to Seattle to save the Earth. But, no one remembered to tell her that. The problem? In a fit of ennui, the Software that Runs the Universe launches the Armageddon subroutine. Now, all Creation went last the week. Dana's assets: The Best Friend dropped out of Girl Scouts to drive race cars. The Boy Friend an aerodynamics major who goes with the flow. The Nerd wrote the hottest new on-line game. The Devil who's in hiding. A pint-size angel with a talking disorder she never shuts up. A poet and a prophet with over five thousand years combined experience at being dead. The forces of evil are amassing. Then the gods start bickering...
