

Dating and Mating: The Power of Flirting

Whether you are male or female, flirting plays a major role in attracting and dating the opposite sex. Do you know how to flirt successfully? What signals are you sending out? Can you interpret and understand the flirtatious behaviour of another person? Do you know what its telling you? Dating and Mating: The Power of Flirting provides a brief, but intuitive overview of this all important topic; a topic and art form that is essential to your dating success. Communicating with the opposite sex is made up of some very important elements. Conversation. Body Language. Flirting. Learning how to flirt effectively and to read another persons flirt signals will give you great insights into a persons intentions, and whether they are attracted to you. Every man and woman should learn and master the art of flirting.
