

A Little Bit of Heaven [Scent of a Mate 2] (Siren Publishing Menage Amour ManLove)

[Menage Amour ManLove: Erotic Alternative Paranormal Menage a Trois Romance, M/M/M, shape-shifters, light bondage, sex toys, HEA] Hugh Marshall is disgusted when his father gives him an ultimatum. Mate with the daughters of a neighboring pride or lose his baby brother. Hugh decides to run with both of his brothers. He just has to save a family of white Bengal tigers staying in his fathers territory before that can happen. Hugh is shocked when he discovers that the sweetest of the men he rescues, Kye Hara, is his mate, and that means Hugh is an alpha. Forced to run for their lives, Hugh takes his new family and races to the only place he knows they might be safe, the home of another alpha. Stellan Mihos promised him safety, but will that still hold true when the man discovers Hugh is now an alpha in his own right? And just how pissed is he going to be when its discovered that Stellans brother and beta, Neumus, is also Hughs mate? Will he help them or turn them over to those hunting them? With his family growing every time he turns around, will Hugh be able to keep them all safe from those that want them dead? Or will he lose his new mates before he even has a chance to claim them? ** A Siren Erotic Romance
