

Scouting the Divine: Searching for God in Wine, Wool, and Wild Honey 6-Session DVD Bible Study

The author spends time with a shepherdess in Oregon, walks the fields with a farmer in Nebraska, explores a vineyard of California, and talks with a veteran beekeeper in Colorado. Along the way, she gains deeper insight about how Scripture applies to life today and discovers answers to puzzling questions. Do sheep really know their shepherd's voice? How often does a grapevine need to be pruned? What does it mean for a land to be described as overflowing with honey? Helps participants digest three biblical metaphors in an applicable way.
