

## Sea Change: Alone Across the Atlantic in a Wooden Boat

With only a sextant, his instincts as a seasoned sailor, and a boat filled with memories of his floundering marriage, Peter Nichols sets out on a solo voyage from England to Maine, where he plans to sell his beloved, twenty-seven-foot, engineless boat, Toad. Halfway across the ocean, his boat springs a leak and his voyage becomes a desperate struggle to survive. Filled with intelligence, bravery and humor, *Sea Change* is a thrilling adventure story. It is a classic tale of a man struggling to come to terms with his reckless spirit, his highest hopes, and his broken dreams.
