

Sea Glass Island (An Ocean Breeze Novel)

Under summer skies, New York Times bestselling author Sherryl Woods evokes family, friendship and heartfelt emotion. With her two younger sisters heading for the altar, will Samantha Castle exchange old dreams for new ones? Lately she'd rather be on the North Carolina coast with family than in New York with agents and actors. Though she vows not to let her teenage crush on Ethan Cole influence her decision, it's hard to ignore her feelings for the local war hero. Ethan lost more than his leg in Afghanistan. He lost his belief in love. Even being surrounded by couples intent on capturing happily-ever-after won't open this jaded doctor's heart. It's going to take a sexy, determined woman—one who won't take no for an answer.
