

Sea Glass Winter (Shelter Bay Novels)

A New York Times Bestseller -- As an Explosive Ordnance Disposal Specialist, Dillon Slater had one of the most dangerous jobs in the military. Now, he's enjoying the pace of life in Shelter Bay, where he's teaching high school physics. He still gets to blow things up, but as the school's basketball coach he also gets to impart leadership skills. His latest minefield: fifteen-year-old Matt Templeton -- and Matt's irresistible mother.
