

## Second to None

A warm, passionate romance from a NY-Times best-selling author. - In the year she's worked as live-in nanny to Nick and Abby Dorset's two children, Sophie Peters has come to care very much for the family. The job would be perfect, if not for one thing: Abby's brother, Michael Harris. Abby seems determined to set Sophie up with the too handsome, too self-assured Michael and Sophie is equally determined to steer clear of him. But Michael seems determined to win her over. Soon, Sophie's wondering if she's misjudged him ... but would trusting a former womanizer be a terrible mistake? This is a first time regular print hardcover previously available in mass market edition.
