

Private Passions (Secret Fantasies)

Do You Have a Secret Fantasy? Desiree Dupree fears she might be living hers. By day she's an investigative reporter. But at night she pens sexy, intimate love stories. Lately the sexy and mysterious Roman Falconer has been playing a starring role in her fantasies. At the same time, she's also investigating him. Something scary is going on in New Orleans and Roman's novels seem to contain the answers. Roman is also the prime suspect, but still Desiree can't deny her passion for him. Desiree has to find the truth. But that means walking a fine line between danger and desire.
