

Operation Midnight (Reunited Series Book 4)

No bad deed goes unpunished. Former Navy SEAL turned private investigator, Cameron Wiz Miller, has loved only one woman, his ex-wife, Olivia. She's beautiful, talented and the sweetest person he knows. With plans to remarry her, there is nothing she could ask of him that he wouldn't do except one thing. Olivia has loved Wiz since high school. He is her hero. Her protector. She understands his hesitation to search for the woman who left her for dead. Forgiveness has been a long time coming, but Olivia has made peace with what happened. Wiz hasn't. For him, forgiveness is not an option. But the sins of the past have come back to haunt Wiz, placing Olivia in danger. He must tap into his military training and every alliance he has formed over the years to save her. But will it be too late? Will he and Olivia ever get that happily-ever-after? NOTE: Books in the Reunited Series can stand alone.
