An abandoned bird; an ailing aunt; and an unhappy fiance. What else could happen? Oh, yeaha murder! Chief of Police, Matthew Travis moved home to avoid the violence of being a big city police officer, but murder shatters the peace and tranquility of his hometown. It appears to be an open and shut case. A troubled teenager at the scene covered in blood with the murder weapon in his hand is arrested. Unfortunately, as Matthew ties up loose ends, his once open and shut case unravels. And the danger escalates!
